I'm so glad that
you're my friend!

You're way nicer than
I thought a Sithrah was
suppose to be.

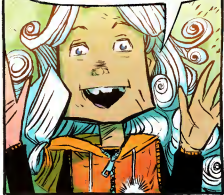

I thought you only went
around fighting bad stuff.

There's a time and
place for everything.

Plus, your way cooler
than Simon!

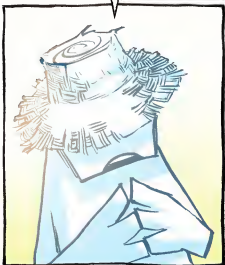

Uhh..

Sithrah, promise me
that you will help me find
my Daddy!

Well, actually...

Stick out your
pinky again.

“Like this?”

There!

We just made a
pinky swear!

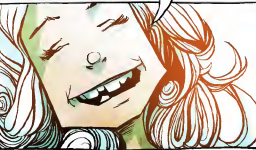

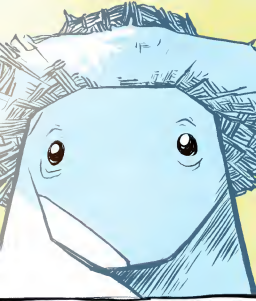

A what?

You know!
A pinky promise!

A pinky promise
is the strongest binding
contract ever!

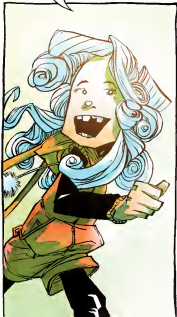

But...

Come on,
I have an idea!

...I'm not allowed to make a promise!
